

SCOTTISH STORYTELLING CENTRE

FRINGE PROGRAMME AUGUST 2023

Welcome!

Throughout the year, the Scottish Storytelling Centre offers a platform for storytellers, musicians, dancers and all creative minds to explore cultures and traditions, old and new, in Scotland today.

For the Edinburgh Festival Fringe 2023, we have curated a high-quality programme which reflects the energy and variety of our year-round offer. We are proud to showcase several young and emerging performers, the future voices and talents ready to inspire and enliven us for many years to come. Some of these exciting new performances have been developed in partnership with the Scottish International Storytelling Festival, and we are delighted to feature two Made in Scotland showcase events as well as the return of some sell-out favourites from previous years. Our range of accessible performances including BSL interpreted, relaxed and captioned can be found on pg.15.

Whether seeing a show, browsing the bookshop or refreshing yourself at the

Haggis Box Café, the Scottish Storytelling Centre is the perfect place for locals, families and visitors to meet for a creative and authentic Edinburgh experience.

We look forward to welcoming you!
